Danielle never disappoints. Her reads are always good and never has my interest in what I'm

reading stopped. The story line was very good. Crazy but good. I felt bad for both Rita and Jay because of the things they went through loving the men they were with. It caused both of them to have some serious trust issues. Jay went through some things, but at the same time she wasn't innocent at all. She did some things that were all the way wrong. Rita did her thing too, but it wasn't to the extent to where she was completely foul. A man doing dirt can always leave the door open for another man to be that shoulder she cries on. Meech and Vic both did their women foul. I can't fully say they didn't love them because they did. They just had their dog moments as well. Rico was foul, but when things were explained I definitely understood his reasoning and honestly I believed he may have had a little more love for Jay than Meech. I had my moment when I shed a tear because of the tragedy that happened. That was truly sad. Things didn't end how I thought they would but I can say that some may have gotten their happy ending while others are taking things slow to figure out things.

This was a good and quick read. This author never disappoints. Love is hard enough but when you mix the streets, deception and betrayal in it, it leads to a whole lot of foolishness. When friends allow lust to get in the way of good common sense, you end up with a well written novel that keeps you surprised. I must say this was an enjoyable read and I do recommend it. Kudos, Ms. Marcus as usual she kept it entertaining. Happy Reading, The Official DCbookreviewer

What a POWERFUL STORYLINE....JAYCEE AND MEECH WAS MY COUPLE BUT HATING AZZ GREEN EYED MONSTERS ,FOOLISH BEHAVIOR CHANGED THEIR DESTINY...RICO WAS FOR SURE IN LOVE SAD THAT HE CROSSED SO MANY LINES DOING IT ...RITA OMG RITA ..I LOVED HER CHARACTER.....OMG HER BABY DADDY GOT IT TOGETHER BUT TOOK HER FOR GRANTED ...ALL AROUND WELL-WRITTEN WELL-DEFINED WITH A HELLVA CAST LOVED IT...OUT FREAKING STANDING.....

The Perfect title for this story. Danielle Marcus has done it once again. Love the fact that this story was a standalone. I'm still in disbelief about certain events that took place and my hurt is still aching but I truly enjoyed this story. Wish I could take Jaycee and Rico and throw them over a cliff. Congrats on another Banger!!! Can't wait for your next release.

Danielle I really enjoy this book. We all have been foolish for someone before but when we get our life together we see the real us. Ready for your next project.

This book made me so mad at times,, made me laugh && even made me cry.. This book showed how a man could do his dirt but could take what he dished out.. It showed how a woman would give her all to a man even if it meant losing herself in the process.. This book even showed how a man will only do right by a woman when they're ready.. This book is/was everything..

Loved this story!! Just when you think it's going one way it turns somewhere else!! Not predictable!!

Danielle did it again
