The Florida Lawn Handbook: Best Management Practices For Your Home Lawn In Florida

Synopsis

Everything you need to know to keep your lawn looking its best! Written in practical language by turfgrass experts, this new edition is completely up-to-date with the most recent lawn management information. Color plates identify various grass types, weeds, diseases, and insects—including those that are good for your lawn. Chapters cover selection, adaptability, establishment, and maintenance for each type of lawn; soil analysis and fertilization; yearly calendars for lawn care and culture; mowing, watering, and calibrating sprinkler systems and fertilizer spreaders; overseeding for winter color; preparing a lawn for drought and low temperatures; weed and thatch control; safe pesticide application and use; integrated pest management strategies; and complete, illustrated diagnostic information for weeds, diseases, insect problems, nematodes, and other pests.

Customer Reviews

"Landscape management information straight from turfgrass experts." -- Jacksonville Magazine,

May 2005 "[A] great book to help with lawn management." -- Florida Times-Union, February 2, 2005

Everything you need to know to keep your lawn looking its best! From reviews of the first edition: "A must-have for anyone who wants a good-looking lawn."--Tampa Tribune "A comprehensive, eco-friendly guide that takes the mystery out of proper lawn care and maintenance in Florida."--Gainesville Sun "Gardeners should look no further than The Florida Lawn Handbook to help green up their lawns. It's chock-full of 'how to do it' information from the University

of Florida's turf experts. Now there is no excuse not to have an attractive, earth-friendly lawn. Tom MacCubbin, radio host of Better Lawns and Gardens, Orlando

Detailed book great info on what to expect in treating different grass types.

I learned a lot about how to manage my st. augustine grass. Good bye lawn service.

I've had this book before. Lent it out and never got it back...guess he liked it too. So I got another one. Great book. Very helpful.

This is a book for every homeowner in Florida.

Good guide

Lots of good info for Florida lawns.

I could not be happier with this book. It is everything you ever wanted to know about Florida grass.

Its all there
