Customer Reviews

Minimal information. It seems as though English is not the author's first language. Perhaps he could

have gotten some one to do a final edit.

Gary Jones certainly loves Lisbon and wants to share his affection. His book delivers much useful information and has been helpful in planning our trip. Sometimes the English is a bit clumsy, (a good editor could have helped) and better photo quality would also help. Still pleased with my purchase.

A perfect guide for short stay travellers. You will find information as to where to find interesting museums, sights as well as where to eat, have an excellent cup of coffee or where to stay on budget. A must book for those who want to experience Lisbon like locals.

Having visited Lisbon several times since 2006 and having lived there in the 1960's, I found "The Best of Lisbon" very comprehensive and fun to read. There was a lot of information that I have earmarked for use when I visit again next year. And I'm looking forward to putting some of the restaurants and sites in my itinerary. Tim Kinter

Great 3 day planning guide. I look forward to following Gary's recommendations next month when I visit. I learned a few places to visit that were not in the travel guide that I purchased.

Ok, but reasonably hard to use on my Kindle. Not easy to browse versus a hard copy.

I'd only buy this in the kindle format, and there are many links so cellular service/wifi are needed.

Amateurish. Added nothing to our trip.
