Customer Reviews

I would have liked to see a nice border around each picture to color, at least the artistry is better on this one than on the 'Book of Mormon activity book'. Overall, it has good points and some nice uplifting images and text: something good to bring to church. Here's a headschratcher: on the page that says we believe in obeying the law, there's a cop pulling a guy over and giving him a ticket! Instead, why not a picture of a girl (since this is a girl's book) happily holding up her new driver's license?

Super cute book we bought for our daughter who was baptized in May. Towards the end she started losing interest as the wording and length of words on the pages goes way over her head..... Overall a nice book for her to have as she prepared for her big day.

I got this for my daughter for Christmas when she was 7, and she is learning a lot from this coloring book when she uses it in sacrament meeting.

Eh. It's ok. The pictures are really simple and cartoony. I wouldn't purchase this again unless it was cheaper.

Great family home evening tool and a great way to spend table time with your preschoolers.

Perfect for those antsy grandkids in sacramento

This coloring book is perfect for a young girl or boy getting ready for baptism. It helps the youngster learn about a new experience.

Great book to explain baptism. Good gift also!
