Customer Reviews

The Little Lights Berenstain Bear series helps children learn how God wants them to live every day. Coach Papa Bear wants his team to play fair. But the other coach just wants to win. The Berenstain Bears Play Fair shows that players and coaches should act in a way that pleases God.

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Although Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Ever since the son took over authoring these books, they have really gone downhill in quality. The new method of illustrating looks rough and unfinished and the writing is not the same caliber style as

when the parents wrote it. With that being said, these new 'Little Lights' books are the first ones I've liked in the series in almost a decade. I am an adult collector of the First Time Book series, which I consider 'Little Lights' a part of, and I bought 3 of the 'Little Lights' books to sample and really have enjoyed them and plan on buying more. I'm looking forward to the Thanksgiving one due to be released soon and hope they continue with the series. I also hope they consider bringing back the Big Chapter books. I think they were better than the First Time Books and they explore the other minor characters more like Too-Tall and Queenie.

my daughter saved all her Berstain Bears and now we are adding for the grandson

Super cute book

I love being able to share these with my granddaughter and talk together about the morals. Great to have them on my Kindle too!

My grandson loves the bears and sports. I will buy more.

I bought my godson a soccer themed gift. This will be a great book to add to the gift.

my 7 year old really likes the Berenstain Bears books, and so do I. it's nice not worrying about content, and knowing that there is an actual moral value to be learned in each story.

In this book, Brother Bear, Sister Bear, and their friends, relatives, and families learn how to be a good sport and to play fair. This book is a very good way to teaches children no matter how old they are to be a good sport and to play fair.
