Mrs. B's Guide To Household Witchery: Everyday Magic, Spells, And Recipes

Synopsis

For domestic goddesses everywhere--add some magic and fun to those mundane household chores with Mrs. B.'s Guide to Household Witchery. Whether you're sweeping the floor, making a meal, or cleaning out that junk drawer, domestic witch Kris Bradley, creator of the popular blog, Confessions of a Pagan Soccer Mom, will show you how to create spells and magic to bring happiness and balance into your home. Bradley offers ideas and solutions to make the most out of everyday items, activities, and obligations. From Anchovies to Broccoli, and Wine to Yeast, from sweeping the floor to blow-drying your hair, you can change your outlook on life with a pinch of knowledge and a dash of magic! The book includes simple rituals, spells, and ways to connect with the spirits that watch over your home and family. Includes an appendix of herbs and a complete materia magica from the kitchen pantry.

Mrs. B's Guide to Household Witchery features:

- Room by Room: How to create magic while you cook, set up a family altar in the living room, or do a junk drawer divination
- The Elements for the Domestic Witch: a primer on the 4 elements and how to balance them in your home
- The Domestic Witch's Herbal: Magical uses for every herb and food in your pantry, as well as instant magic with prepackaged spice mixes
- Simple Sabbats for the Busy Witch: simple ways to celebrate the passing of the seasons
- Magical Recipes: More than 100 recipes and spells

Customer Reviews

Kris Bradley is the magic behind the popular blog Confessions of a Pagan Soccer Mom (2500

readers). She helped establish The Sisterhood of the Triple Goddess coven in Keyport, NJ and is a legally ordained minister, in addition to being a witchy wife and mother. Her work on domestic witchery has been featured in PaganParenting.org and as a national column for Examiner.com. She lives in Keyport, NJ. Visit her at www.confessionsofapagansoccermom.com.

I've been a practicing Wiccan for 25 years, and I've read a lot of books on the subject. Mrs. B has managed to discuss magic in a way that is relatable to Pagans of all styles and levels of experience. It's also clear that she is sharing her life and experiences with the reader, and not just sitting down to write some spells for a book. It is this wonderful and rare mix that makes this book such a stand out from other books of similar subjects. This is a must read!

I highly recommend this book for anyone following a Pagan path, especially Kitchen/Domestic Witches, Wiccans, and other's with children. However it is not a 101 book and some prior basic knowledge is needed. I found everything in it to be useful and not just the same old boring stuff that usually gets regurgitated in these guides to household Witchcraft. The two sections I found most useful were chapter 3 "Domestic Deities and Household Guardian Spirits" and chapter 6 "Simple Sabbats for the Busy Witch". In chapter 3 she discusses different deities, spirits, and entities that have been associated with the household and offers ways to honor them. In chapter 6 she offers quick and easy ways to observe the Sabbats by yourself as well as with a group or with your children. Another great thing about the book is that it can be used by someone on a budget, all the materials listed for the various ideas and projects and fairly inexpensive and easy to find. I can't say how much I love this book!

I would give this five stars but the book seemed a little short to me. However I do see this being a great reference for magic about and for the home. There's many great jumping off points to get you thinking in new ways and leading you to be more magically minded in your abode. I'm sure most readers will find something in this book to help them out. I didn't feel as attracted to herbal and recipe sections presented in this book, as my but the Sabbat and home sections really sparked my creative juices. I fee this book is best suited for witches and pagans that focus on a very practical and home minded craft, also thise practicing with families or children, very much geared toward low magic and kitchen witching. Hope this helps as I really really recommend this book and love how it's presented in a simple flip through manner.

Nothing new unless you're a beginner but I liked her writing style. I did like how she takes you through your home room by room... interesting & enjoyable. I would recommend to someone learning about energy & sacred space. We're moving soon so it was a nice refresher for me.

great read. shipped in a timely manner. Its got some great advice and can be appreciated by a beginner or someone very skilled. Good book for the book shelf

Echoing previous reviews, This book does require a bit of knowledge about Wicca and the basics of Spellcasting. But, it is also a fun and informative guide to using what you already have to cast and create magic. Would recommend to the practicing witch who also needs to establish her pantry with regular homecooked dinners in mind and busy schedules.

Just your everyday household magic here. I love this book, I just skim along, reading bits and pieces here and there. It's always by my bedside, always find something interesting to try out. Very practical advice.

There really is no other word for this. The material is well-presented, easy to understand, most of it I haven't found anywhere else, and most of all fun. There is little if any to-do about fancy ritual and ceremony, though there is room for the practitioner to make it overly complicated if they wish which leaves a lot of breathing room. Also, there is something about this book... It isn't an old grimoir with mystical powers, nor does it look or is it presented like one, but it has that same old wisdom and feel to it while also being fresh, new and exciting.
