ABSOLUTE JUNK! Despite bright lettering on the front cover that states "Fits in a standard three-ring binder," this product does not. Every single one of my binders, notebooks, loose-leaf pages of paper, and other unbound books has "standard" holes. This piece of junk is off by the width of one of the holes. So, if you are interested in a worthless collection of pages that you will be forced to zip-tie together to make some semblance of a book, I would suggest this product. The

worst part about this unbound, poorly designed, waste-of-a-tree is that these holes are close enough that you may try to force the pages onto your binder rings. This results in ripped pages and endless frustration. PRODUCT IS TERRIBLE! DO NOT WASTE MONEY! BUYER BEWARE!

I bought this textbook for my ENGL 102 Class. Taught me all about MLA, grammar, and how there are many types of way to debate with another person. Great book!

Served it's purpose. I'd recommend this.

this textbook was purchased for my child's college class. it was exactly what was needed for the class. it was in good condition.

I bought the book so it could help me understand better English language in our daily lives. The book so far based on the chapters I have gone through , is very helpful and resourceful. I would say someone needs to read or use this book . It might not be all but at least it is something.

I rented this book so I wouldn't have to pay a whole lot at my school bookstore. When I received the book it wasn't the right book. It was the 6th Edition. The picture that's advertised is false.

Worked good for the class I needed it for.

good book!
