## Customer Reviews

Once again my hat is off to you! You keep coming up with great story lines for this family that move and grow and leave me wanting more. More Mick, more Roz, more Glory, Joey, Teddy and the twins...I want to continue to see these characters lives, relationships and complications. I actually crave a new story from this author who continues to write and release stories in this saga in such a timely manor. I'm a fan for life. I can't wait to see more of Glory and Gio, Hammer Reese, and it would be great to see Joey grow up and Teddy in love. But, however the story goes I'll be around for the ride.

I love Mick and Roz! Mick is growing emotionally and I like that the growth is slow but steady. Roz is great, I'm glad that she's not a pushover. She let Mick have about his inconsiderate behavior. But the enemies, oh the enemies. They keep coming! Keep em coming! Love it. Glad to see Charles and Jenay. I feel bad for these folks kids tho. Give someone a break in love....please. Gloria, or Donald.....I don't really care who. Great installment in Mick and Roz's story.

Ms. Mallory has done it again. Her unique style of writing allows us to enjoy every installment of the Gabrini and Sinatra series. I thoroughly enjoyed this story. It allowed us to see more of the true character of Mick. We finally saw the depth of Mick's love for his family. He may be ruthless but he doesn't start a fight. He ends the fight.. I just love Mick. I love all the Gabrini men and the Sinatra men. I'm anxiously awaiting the next installment.

Mallory Monroe has got to be the undisputed Queen of IR Romance Erotica! As busy and swamped as I have been, this was my "after work soothing balm"! I loved seeing this side of Michello! Wow! Loved this! !!

No other words. By far my favorite author and series. Keeps getting better. Love the way Mick is evolving. You have to read the Gabrini and Sinatra series. You will nit be disappointed.

I really enjoyed this book. But I've enjoyed all of her books. I look forward to reading more from Ms. Monroe.

This is an enjoyable read. I like the Mick series cause Roz is awesome & her relationship with Mick is great but also cause readers have seen Mick grow a lot from his first book. Solid mystery on who is after Mick this time. I hope to see Teddy and Joey each meet a Black woman that steals their respective hearts VERY soon. Teddy especially needs a strong, loving woman since he is too focused on work. Joey still has much growing up to do and meeting a good woman could help him there. (So does Donald, TBH. And for a while I thought he hadn't found one cause the author planned to pair him with Ashley despite that being controversial for some... not controversial to me, though). I am still indifferent to Gloria despite her being Mick's favorite child inexplicably. I don't dislike her but I just find her character one-note and her daddy issues played out. I am going to need Hammer and Amelia to have their own book but I don't want it to mirror early Tommy and Grace. I want it to be where Amelia has another man who wants her and that forces Hammer to work hard to win her love as well as move past his Reggie Dell obsession. I don't want it to be simply where Reggie turns psycho just like Shanks and then targets Amelia making Hammer have to protect her. That is too easy. Hammer needs to realize he wants Amelia (& Hannibal) more than he \*loves\* Reggie.

Anyone who has read a Mick Sinatra review by me know I am bias when it comes to these books. I give this FIVE STARS! I won't even bother to say how good I thought the book was bc I'm bias. I buy these books without looking at reviews or reading the description and I'm never disappointed. I hope I never fall out of love with Mick the way I did with the Tommy Gibrini books. Tommy and Grace becoming a couple did it for me but when they got back together I was done. I don't know what Ms. Monroe was thinking but she almost lost me as a fan. Were it not for Mick she would have. I have purchased nearly every book I can find written by M. Monroe and Mick Sinatra remains my #1. Any way, I cannot wait to read Amelia's story. I'm so looking forward to the female version of Mick. Dang, I hope that book comes out soon. I already love her character. She is so badass. I hope Amelia can find love. She deserves it. She deserves some happiness after the hell she went through. Her brothers got theirs. Now she needs some happiness too. I also want to read Hammer's story. Him and Reggie not a good mix. Too much alike. I hope Monroe puts a end to that. Reggie is too much like Tommy's dead psycho. She is gonna have to be put down sooner rather than later. I'm ready for Brents 2nd book. I cannot wait to find out what is going on with Brent and his wife. I'm glad Gloria has matured. I hope she gets it right this time. She likes em old and Gio just might be what she needs. I cannot wait to find out what is going on with Sal and Gemma. And I hope there is another Big Daddy book coming soon and I hope his second son gets atleast one book. I don't think

the school teacher is a good match for him. He's playing it safe. I hope his love interest is someone more interesting than a bump on a log. I'm gonna keep following Monroe bc she usually always delivers. Until my next review, keep reading yall and keep falling in love with Mick. I so need me a real life version of Mick. [THIS](#) book is highly recommended by me. Please, if you haven't checked out Ms. Monroe, please do, you won't be disappointed.
