Excellent Daily Bread. Great Depth, Lot of Meat and Thoughts from this Godly person. Mr. Spurgeon himself penned these making them an Ultimate resource for an entire year every year. Keep going back to it. Can be a Daily family medication guide.

Begin your day, and end your night with a moment of prayer and thankfulness. The busiest person

will have time for this devotional.

This book is a gift for a young lady in our church. My prayer is that she will read these devotions and grow closer to the Lord. Here's a little summary of the book---each devotion is dated so one can start reading anytime and read 2 devotions each day of the year, each devotion provides meditation on a scripture reference that is given at the beginning of each devotion, portions of scripture are taken from every book of the Bible, the devotions are short and easily can be read in about 5-10 minutes, a subject and scripture index are, also, included at the end of the book. I believe Charles Spurgeon's insight and counsel in this book is as relevant today as it was in his day.

This is a fantastic book for those who are mature and wanting a close, spiritual relationship with God. It makes you think and it is most inspiring for those with an open heart and a ready mind. Buckle up. Get it and GROW. I ABSOLUTELY LOVE IT. My daughter gave me a hard copy. I wanted this Kindle version on my tablet so I can access it anytime, any place...less to carry since I have a KJV bible downloaded on my tablet as well. :) Enjoy and be BLESSED. Tell others about it too.

It's great, but I didn't realize that I was getting a version of the book that used Old King James english. a ways in I realized it actually switches back and forth, some days you'll have the whole thing with "thee"s, "thou"s and "thy"s, other days you'll have their more modern equivalent. It can throw you off if you aren't accustomed to it, but the content its self is still quite good, I would buy again.

Charles Spurgeon is called the Prince of Preachers, and if you only buy one book of his, this should be the one! His faith, and the abilities given to him by The Holy Spirit, make this devotional as relevant today as one hundred year ago. I love his perceptions on Scriptures that he uses, The Bible is not distorted, it comes alive through his beautifully written exhortations. A truly great daily devotional! I highly recommend this to anyone, who wants a true insight into GODS' Word!

This book was recommended by our pastor. So far, I am really enjoying these short devotionals. It helps to begin and end each day with quiet reflection.

The Prince of Preachers, articulates with vivid clarity the depth of a nurtured soul in the vast

expanse of sovereign grace ... his walk with his King. I perceive his intention to be, not the imitation of his script, but the emulation of the Spirit's transforming and sanctifying work ... our own Christ-likeness ... time spent at the feet of Jesus fleshing out our own inner wrestling with our sinfulness and God's infinite grace.
