# The Juniper Tree: And Other Tales From Grimm

## Synopsis

"A milestone, a tour de force, a joy to see...27 stories from the Grimm brothers' collection [including] some familiar tales and others that are less well known. The translations...are direct and fresh, unexpurgated and unsweetened. The illustrations are superb; beautiful, imaginative, appropriate, tender and terrible-as though the tales had been waiting for Maurice Sendak to interpret them. For children and adults."-Bulletin of the Center for Children's Books  
Translated by Lore Segal with four tales translated by Randall Jarrell. Illustrated by Maurice Sendak  
"Many Fur" is translated from the text in the first edition of Kinder- und Hansmarchen (1812, 1815), which is more coherent than the versions in the later editions. The other tales are translated from later texts, as reworked by the Brothers Grimm. Randall Jarrell's translations of "Fisherman and His Wife," "Hansel and Gretel," "The Golden Bird and Other Fairy Tales of the Brothers Grimm" (Macmillan, 1962), are reprinted here.

## Book Information

Age Range: 4 and up

Lexile Measure: 1030L (What's this?)

Paperback: 368 pages

Publisher: Farrar, Straus and Giroux (BYR) (January 1, 1983)

Text: English, German (translation)

A wonderful collection in a cozy book set! Small enough for little hands but stories and fairy tales that pack a BIG punch. So much fun in such a small (size-wise) set. Perfect for bedtime stories and afternoon fun. The illustrations done by Maurice Sendak are black and white and bring elaborate detail to the tales. The slip case also has a Sendak sketch encapsulating the 27 stories chosen by Sendak and Segal of their 110. A very different take than the typical picture books done by Sendak that we are most familiar. A real treasure.

Sendak's illustration greatly add to the wonderful translation.

This is a wonderful, inspiring classic by one of the great masters of illustration. Sendak's pen & ink illustrations are simply gorgeous. So glad that it was released once again, as the first edition (which came as two volumes in a slipcase) are mostly well-loved, worn and expensive to buy used. This edition is just the way I remember the older edition, but in a single volume.

It is an enchanted volume of sublime grime and sunshine - old fashioned lessons on consequences and healing, responsibility to family love and ill-begotten allegiance to the King. I love the book and can actually imagine them begging me to read, "just one more story, just one more, Grandmama, please, please."

Hardly anything can beat the Grimm Brothers' gathered ancient tales. These are excellent selections and are exquisitely illustrated. A magnificent publication.

I bought these for the beautiful, hallucinatory illustrations by the wonderful Maurice Sendak and was even more impressed and delighted by this than I thought I would be.

A beautifully illustrated book with many Maurice Sendak drawing I've never seen before.

As a child I found this book at a garage sale. It instantly became one of my most treasured books - that was over 20 years ago. It has some of the most interesting Fairy Tales, many have a slightly "different twist" than your typical tales (some outright silly while others dark and bit disturbing). Most of the stories are 3 to 5 pages long and are very quick reading, and the sketched illustrations are beautifully detailed. Excellent stories for children and adults alike. With my current copy falling apart

- I was happy to see the book has been re-issued!
