Philippa Fisher's Fairy Godsister

Synopsis

Philippa Fisher is just your average 11-and-a-half-year-old girl - she's a bit shy and not the most popular girl at school. But all that changes one day when a new girl named Daisy arrives at school and reluctantly confesses that she is Philippa's very own fairy godsister. Unfortunately for Philippa, Daisy is one fairy who is not too fond of humans, and so she isn't pleased about having to help Philippa. In fact, she wants nothing more than to grant Philippa her three wishes quickly so that she can move on to a new assignment. However, things aren't that simple. Philippa and Daisy just can't seem to get along, and Philippa's wishes keep making her life worse rather than better. Will Philippa and Daisy be able to come together to solve the mess they've created before it's too late?

my granddaughter loves this series

Granddaughter loves this series.

My 9 year old daughter loves Liz Kessler books, she cannot stop reading them and really enjoys every minute with them. She loves Philippa and wishes there were more books in this series....

Beautiful books!!!

I loved the book. It was amazing! I can't wait to read the rest of the series. I can't wait to see what fairy tale adventure awaits me next!! I have read the Emily Windsnap Series as well. It was a spine

tingling series. I can't wait to read the 5th one. Coming out February 2013 To all the fiction, fantasy, and Adventure lovers you must read all of Liz Kessler's Amazing Series!!! There all great series that will have you at the edge of your seats! I hope you all take my advice. Have a great time reading!

Daisy isn't your normal fairy tale fairy godmother. appearing as young as her assignment she is more of a fairy god sister. With the pick flower life cycle to be on earth she breaks the most important fairy rule about not revealing who you really are to her client who wishes get out of hand at first until she realizes what she really want to wish for.

A delightful book about being true to yourself and friendship. We're reading book two now!

My daughter has brought home the other two books in this series for us to read. Unfortunately her school library doesn't have this one. So I have bought all three for her for Christmas. We loved the other two so I am sure this one is just as good!

A very sweet book. Makes you realize what you have is important and that being perfect is overrated. A++++ please read
