# Slangman's Fairy Tales: English To French, Level 1 - Cinderella

## Synopsis

Each fairy tale starts in English, then slowly "morphs" into French! Learn 20 words in a new language! This audio file contains narration, pronunciations of new words, sound effects, and fully orchestrated original music composed, arranged, and performed by "Slangman" David Burke. Here's how it works: An English word in the fairy tale is translated. The translated word is used throughout the rest of the story... again and again in context! More and more new words are added. All the new words are repeated throughout the story to reinforce understanding. By the end of the story, 20+ new words have been learned!

## Customer Reviews

Good way for the youngster and her parent to start learning French.

Great approach to learning language!

I have read The Italian, Spanish & now working on the French with myself & children ages 12yr and 4yr. I find these books so wonderful and when we finish the book we all could speak many words of the Language & understood what we were saying. The CD is VERY easy to follow along with also. I can't wait to continue on learning the other Languages with my children that this Author offers, I took a chance & ordered & now I can't STOP! The Fairy tales keep my kids very interested & makes it fun learning. My daycare borrowed my books & absolutly loves them & I routed them to because there are many more in Different Languages..They only wanted the Fairy tale because the kids excitedly followed along and were all experimenting the new Language learned with eachother. I

HIGHLY SUGGEST..These are not just for children they are for us adults too! I promise you if you try you will be addicted also, there are three levels per Language! VERY NEAT!!
