Fate's Fables Boxed Set Collection: One Girl's Journey Through 8 Unfortunate Fairy Tales (Fate's Journey Book 1)

Synopsis

This beautifully intricate fantasy, with its feisty heroine, breath-taking action and heart-wrenching romance, will delight fans of *The Lunar Chronicles* and *A Court of Thorns and Roses*. Reality sucks. Make-believe rocks. That's been Fate Floyd's motto for as long as she's been a fantasy geek. But now she can hardly tell what's real and what's not. She's been spelled and mysteriously trapped within a deadly fairy tale world bound by the *Book of Fables*. Her only way home is to travel through the book's 8 unfortunate fairy tales and change them into happily-ever-afters. And if dealing with scheming sorceresses, greedy goblins and heartless faeries isn't enough to test her sanity, there's Finn. The Scottish boy who looks like he stepped straight out of her dreams. As it turns out, make-believe isn't as fun as Fate thought it would be. The reality is, her road to freedom isn't straight, and danger lurks around every bend.

inducted into a war goddess's army, she forgets everything, and Finn is forced to fight her. What he doesn't know is that she's imbued with the energies of lightning and wind. **The Bloodthirsty Oak**: The eighth unfortunate fairy tale in the Book of Fables. Customer Reviews

This was an interesting book set. The story was odd with enough adventure and humor to stay interested. A good read for a young person who likes fantasy, adventure and a touch of romance.

I happened upon this set by accident, but I'm SO glad that I did. I would recommend this set to anyone who enjoys unique fairy tales or great just fantasy & story telling. Sithias is my favorite character.

Slow start to this book. Quite enjoyable read, once you got into it. It was interesting seeing how the characters develop throughout the book. The ending was a cliffhanger...to get you to buy the next book. I'm not planning to.

Well written, but I am still reading it!

Couldn't stop reading! Had to know what was going to happen next.

Good book

It is not easy for me to find a book that I want to read cover to cover but this book is it. It was exciting and suspenseful. I enjoyed reading it.

Reading the ending was like.... Ughhhh need to buy another book. Cmon! But still looking forward to the new book though
