Customer Reviews

Cheddar and bacon potatoe soup is out of this world. The Mexican potatoes are fantastic. Thank you and enjoy your day

I am an athlete and I found this book very beneficial for athletes who are trying to figure out how to incorporate healthy carbs without eating grains or sugars. This is the best partner for my diet meal plan. I found the recipes very easy to prepare and suits my taste.

Good recipes, nice format, easy to read larger print. But no pictures??? Bummer. Gave as a gift and didn't realize this shortcoming before it was too late.
