The Neighbor's Secret: A Secret Billionaire Romance

Synopsis

A Secret Billionaire Romance is a new series by #1 Bestselling Author, Kimberley Montpetit. After being left at the altar on her wedding day, businesswoman Allie Strickland returns to her small and quirky hometown to heal her broken heart. Grieving the trauma of her ex-fiancé's betrayal and overwhelmed by her clingy mother, Allie rents the first available house she can find. But on the very first night, Allie's peace is violated by an unexpected intruder who breaks into the house while she's taking a bubble bath. An intruder with an alias and old ties to Heartland Cove. Forced by unusual circumstances to share the same rental house, Allie's suspicions of the man grow—even as she finds herself attracted to him. But is Ethan Smith merely a freelancer on a magazine assignment or an undercover spy for the mayor who wants to ruin the charming town by running a new highway through for his own profit? Is Ethan Smith friend or foe? Enemy or lover? Secret Billionaire Romance #2, THE EXECUTIVE'S SECRET releases in 3 weeks! Click on the Author's Follow button so you don't miss any future titles. Customer Reviews

Fabulous lessons are learned that can be insightful to those seeking healthy relationships. Allie worked out many epiphanies that echoed lessons I learned the hard way in my own life. Allie discovers, digests, and accepts the harsh realities that the wedding that broke her heart was her greatest saving blessing as Ethan demonstrates every day what experiencing love with a man who was going marry her should have entailed. I loved Ethan's giving personality in showing heartfelt love, and that he had moral strength and self-control as he showed the utmost gentlemanly respect. I hope my own boys will model such behavior.

Sweet, clean story about a jilted bride and an honorable but somewhat secretive man, and a jerk of an ex-fiance thrown into the mix. New Brunswick story location was a fun change from the more-common US southern or western states. One complaint is that the hint of a longtime crush of the H for the h needed more exploration. The information was tossed out there and sort of left to die. Given the age difference between the two, a secret crush seemed a bit puzzling and a fairly large plot hole. Also, the h's recovery from semi-severe burns seemed a bit rushed -- as anyone who has had similar injuries can attest. However, a very enjoyable story all in all.

I love this book! It's hard to find clean romance novels but Kimberley does a great job! Keep up the good work!

Allie left in the altar by Sean (self absorbed jerk), going be home to heal her broken heart and humiliation. Meets Ethan in an awkward situation. ... sweet love sorry. Love it!

Such a fun and heartfelt story. Loved the second meeting with Ethan. I laughed a lot through the book and the romance was fabulous. Highly recommended.

This was an easy, fun read. The author's style reminds me a little of Debbie Macomber's. I look forward to reading more of Ms. Montpetit's work.

It was a great book enjoyed reading about a small town set in woods love the feel of family small towns give thanks for the good clean read

I really loved this sweet love story. The characters were funny, romantic and definitely kept my interest. If I have one negative it would be the amount of errors in the book. Missed words or

misspelled words. Other than those it was great.
