Curious George's First Day Of School

Synopsis

It's the first day of school, and Curious George has been invited to Mr. Apple's class to be a special helper! George is just the right monkey for the job until he starts to wreak his usual havoc, that is. Red and yellow paint makes orange, yellow and blue makes green . . . and a mixture of all the paint colors makes a big mess! Curious George and the First Day of School is a story based on H. A. and Margret Rey's popular primate and painted in the original watercolor and charcoal style. A full-color twenty-four-page paperback with bonus activities inside, including an "Ants on a Log" recipe, a word search, and a "Color Your World" craft idea. For more monkey fun, investigate www.curiousgeorge.com and discover all the latest on Curious George books, promotions, games, activities, and more!

Customer Reviews

"Curious George certainly deserves a spot on the shelf, and these engaging stories will provide a good exercise in imagination and creativity. A solid choice, especially with an all-new animated adventure based on the classic tales debuting as a feature film ..."Title reviewed -- Horn Book 1/1/2006 "Horn Book 1/1/2006" --This text refers to an out of print or unavailable edition of this title.

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.

My son's first day of school will be coming up next fall so I thought this would make the perfect birthday gift to get him ready for it. He loves the Curious George books and I'm sure this one will be no different. This was shipped on time and well packaged. For the paperback version, this seems put together nicely to ensure many reads.

My grandson loves Curious George so I got him this book to help celebrate his first day of preschool. He is so excited and the thought of George being in school too is so fun for him. This is a cute book that focuses on how much fun school is and how good it is to be a good helper. Great book for focusing on the positives of going to school. So glad I bought this book for him.

It gets a 3 b/c it had rather good reviews but I was expecting something that might help prepare my son for school a little. Gives the impression that school is fun but kinda not related. It's the usual kooky antics of CG. My son likes it a lot. Maybe makes school less scary.

A cute book! I bought it to read to my EAK class that started school in January. Loved by VB the kids and fun for all :)

My child loves George but I don't like some of the stories like "plumber's helper". I'm glad that the story in this book is not bad and the price was so cheap.

Curious George's First Day of School carries along like almost every other Curious George story - introduction of George, he finds himself getting in trouble, Man with the Yellow Hat (MWTYH) bails him out and everyone thanks George for saving the day. What's not to love? My 6 year old son loves Curious George. It's incredible how much he picks up on from story to story. As he advances

his own reading, this is a story he absolutely adores!

love these books. perfect for my curious three year old. read at bed time

I was so excited to order this book for my daughters first day of preschool. She loves it! It's perfect for pre-k through elementary school. In the story, Curious George is chosen to be a special helper at school and gets into some mischief while doing so. The ending is sweet and shows how friends help each other. It's short, maybe 10 pages long and easy enough for a quick bedtime story. We recommend it!
