Edited by Catherine Uekers, AIAA, and Loretta Pezzoni	331 Melagador Pinto The Process of Public Imagination: Reclaiming Power	

Synopsis

"Public space" is a potent and contentious topic among artists, architects, and cultural producers. *Public Space? Lost and Found* considers the role of aesthetic practices within the construction, identification, and critique of shared territories, and how artists or architects -- the "antennae of the race" -- can heighten our awareness of rapidly changing formulations of public space in the age of digital media, vast ecological crises, and civic uprisings. *Public Space? Lost and Found* combines significant recent projects in art and architecture with writings by historians and theorists.

Contributors investigate strategies for responding to underrepresented communities and areas of conflict through the work of Marjetica Potrč in Johannesburg and Teddy Cruz on the Mexico-U.S. border, among others. They explore our collective stakes in ecological catastrophe through artistic research such as atelier d'architecture autogène's hubs for community action and recycling in Colombes, France, and Brian Holmes's theoretical investigation of new forms of aesthetic perception in the age of the Anthropocene. Inspired by artist and MIT professor Antoni Muntadas' early coining of the term "media landscape," contributors also look ahead, casting a critical eye on the fraught impact of digital media and the internet on public space. This book is the first in a new series of volumes produced by the MIT School of Architecture and Planning's Program in Art, Culture and Technology. Contributors: atelier d'architecture autogène, Dennis Adams, Bik Van Der Pol, Adrian Blackwell, Ina Blom, Christoph Brunner with Gerald Raunig, Néstor García Canclini, Colby Chamberlain, Beatriz Colomina, Teddy Cruz with Fonna Forman, Jodi Dean, Juan Herreros, Brian Holmes, Andrés Jaque, Caroline Jones, Coryn Kempster with Julia Jamrozik, György Kepes, Rikke Luther, Matthew Mazzotta, Metahaven, Timothy Morton, Antoni Muntadas, Otto Piene, Marjetica Potrč, Nader Tehrani, Troy Therrien, Gedminas and Nomeda Urbonas, Angela Vettese, Mariel Villerías, Mark Wigley, Krzysztof Wodiczko. With section openings from Ana María León, T. J. Demos, Doris Sommer, and Catherine D'Ignazio

Book Information

Series: *Public Space? Lost and Found*

Hardcover: 300 pages

Publisher: SA+P Press (July 21, 2017)
