# Parade Of Faiths: Immigration And American Religion (Religion In American Life)

## Synopsis

Since the seventeenth century, millions of people from every continent have settled in America. Seeking a better life for themselves and their children, they braved deprivations, studied an unfamiliar language, adapted to a different way of life, and battled prejudices and hostility. Most of them held on to their faith as well, re-establishing churches and meeting-houses, synagogues and mosques, temples and cathedrals, and electing priests, rabbis, imams, and other spiritual leaders from among their number. Immigration irreversibly altered the face of the new republic, and it still moulds the political and spiritual fabric of the nation even to this day. Joselit surveys the history of immigration--which is actually the history of this country--and its effect on both political and religious issues through the centuries. The book explores the immigrant experience through case studies representative of all major newcomers' groups. The vividly rendered stories of courage and perseverance will alternately inspire and horrify.

## Book Information

Series: Religion in American Life

Paperback: 144 pages

Publisher: Oxford University Press (December 3, 2007)

Language: English

ISBN-10: 0195333071

## Customer Reviews

"This work serves as an important introductory volume, one that offers a glimpse into a particular and important part of the American religious past, while simultaneously giving students a prescriptive nudge toward a future of pluralism and tolerance." --Religion

Jenna Weissman Joselit is a Visiting Professor in the Department of History at Princeton University.
