Rod Espinosa is a Filipino comics creator, writer, and illustrator. In addition to his lengthy work Neotopia, for Antarctic Press, Espinosa has done extensive work adapting and illustrating literary classics into comics form, as well as creating comic book stories of important events from American history. The author lives in San Antonio, TX..

Just as good as the first one!! The story continued where it left off and I just couldn't put it down. Great for all ages, I can't wait for the third one to come out!! :)

Beautiful book. Cant wait for volume 3 to see how the story ends. I love all the characters. Princess

Mabelrose has a strong personality.

Love!! The artwork and storyline is always amazing!!! Love Rod Espinosa's work.

Awesome

The first best thing about this volume is the font. The first volume had such tiny print I had to wear my reading glasses, then this one comes along and has a tidy large font. This continues to be a lovely fairytale type of story. Mabelrose returns home to find that her father has gone out to find her so she decides to go and rescue him. A few new people join Mabelrose and the King, her father, has a magical crew in tow. Fighting giants most of the time, all our characters end up going after the Dragon Queen and the book ends on a cliffhanger. The story is too sweet and nice for my personal likings but does make a delightful fantasy, especially for younger girls.
