# A Midsummer Night's Dream: Fully Dramatized Audio Edition

## Synopsis

Folger Shakespeare Library, The World's Leading Center for Shakespeare Studies The Folger Shakespeare Library, home to the world's largest Shakespeare collection, brings *A Midsummer Night's Dream* to life with this new full-length, full-cast dramatic recording of its definitive Folger Edition. In *A Midsummer Night's Dream*, Shakespeare stages the workings of love in unexpected ways. In the woods outside Athens, two young men and two young women sort themselves into couples - but not before they form first one love triangle, and then another. The king and queen of fairyland, Oberon and Titania, battle over custody of an orphan boy. Oberon uses magic to make Titania fall in love with a weaver named Bottom, in an effort to distract Titania from the custody battle. While all of this is going on, Bottom and his companions ineptly stage the tragedy of "Pyramus and Thisbe". This new full-cast recording - based on the most respected edition of Shakespeare's classic - expertly produced by the Folger Theatre, is perfect for students, teachers, and the everyday listener.

## Book Information

Audible Audio Edition

Listening Length: 2 hours 7 minutes

Program Type: Audiobook

Version: Original recording

Publisher: Simon & Schuster Audio

Audible.com Release Date: August 5, 2014

Language: English

ASIN: B00L4B5ZB8

Best Sellers Rank: #15 in Books > Audible Audiobooks > Fiction & Literature > Drama #112 in Books > Literature & Fiction > British & Irish > Dramas & Plays #137 in Books > Literature & Fiction > British & Irish > Shakespeare > Works

## Customer Reviews

Although it's been more than 40 years since I graduated with a degree in English and I've retired from a non-literary career in government, I still read Shakespeare on a regular basis. I'm updating my collection with volumes that will fit into my backpack for travel. This edition fits nicely and the binding protects it from being bent better than a paperback.

This was helpful as a precursor to seeing a live production of the play, as it had been many years

since I last read it. Shakespeare's language is, of course, beautiful, but it is also helpful to be able to glance at the "translation" to make sure I am really getting the meaning correctly.

One of my favorite Shakespeare plays with an easy to read translation, yes please. I have a BA in English, so reading Shakespeare is easy for me, but this book was a gift. The recipient really enjoyed reading Shakespeare in plain English.

Purchased the kindle version. Simple illustrations were omitted deliberately because of possible copyright infringements. I figure if I am purchasing the book, I should get the book, copyright and all.

I am performing this play coming up, and purchased this version of "Twelfth Night" to serve as a guide. First, physically, it is small enough not to be bulky as you carry it around onstage, but the text is still easily readable. Second, the modern text sits on the opposing page of the original, translating it line-by-line. This version even includes a character breakdown. I would recommend the "No Fear Shakespeare" editions to any actors preparing to perform the Bard's plays to fully understand the text and to make it fun.

As with most Shakespeare the language can both add and take away from the meaning or in this case the humor. Going to see the play at the Globe and didn't want to be confused so I read this first and will check out the movie next. Funny stuff that I've seen before but of course what I've seen before was likely influenced by this.

Shakespeare's classic comedy gets the graphic novel treatment courtesy of Classical Comics. The text is in the original language, perfect for classroom instruction, and the artwork is good enough to bring the story to life for inquiring minds. The comedy may lose a little in a book presentation, but a graphic novel may help pull in new generations of Shakespeare fans. The narrative captures the overlapping stories of the original play: The dilemma of the Duke of Athens over the fate of the maiden Hermia and her two lovers, the rivalry of the King and the Queen of the Fairies, and the group of thespians hoping to pull off a winning play in front of the Duke of Athens. The story relies heavily on magic, passion, and the interference of the mischievous Puck, but it all works and works. Recommended as a good introduction to a great play.

When I lived in the Alexandria, VA area (1999-2001), I would visit The Folger Library in Wash, DC

on a near-monthly basis. It's so wonderful to be able to build my Folger Library here! Thank you!
