# Kilt Trip: Part 3: (A Scottish Highlander Historical Romance)

## Synopsis

A SERIAL HIGHLANDER ROMANCE the parts of which should be read in order. Our heroine has just come over the ridge to find she has been caught yet again by the Highlander. DISCLAIMER: In the tradition of Charles Dickens' The Pickwick Papers, The Three Musketeers, and The Count of Monte Cristo, KILT TRIP is a serial Scottish Highlander romance released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now. Scotland, 1704 It's all about that kilt! Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer too by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong--and perfect--for the job. Rory, for instance, is a kilt-clad Highlander, but he'd rather die alone in a cave rather than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him and his two friends much, much closer to the lasses than that. Come along for the ride.

## Customer Reviews

In Part Three, the ladies are separated, each on their own adventure. Each are pursued by a Highlander honor bound to protect them. Each resist their protection and their own attraction to their respective protector. This is a fun story filled with strong willed English women and sexy, stubborn Scottish men. It is so good! Another dramatic cliffhanger that builds the suspense! On to Book #4!!

Excellent book a must read and with each word that is read you really are hooked, what an excellent writer! I never want to miss a book in every series and I highly recommend this book and all books by this author! Fantastic book, you will not want to put it down, I know I didn't and I wanted more and I feel that you will also! Great, Great, Book!

Exciting, romantic, erotic, fantasy. Has everything. Magic, time travel, fairy stories, adventure and still kept me on the edge of my seat. I would definitely read the series, in order, as it would be difficult to follow the story lines of the characters, and the plot is sequential so might be very confusing if you didn't know the background events. Loved all the books in the series, so it's no hardship to read them all.

I don't like serialized novels, but this one is really good. It is very clean though. No steamy love scenes though. I miss that. This has made me laugh outloud. I have to wait now for the next one, which I truly dislike, but this story leaves you wanting to finish the story. I really would like the author to say when the next parts will be available.

Lots of romance in this one. Rory and Bridget are so much fun. Tons of adventure. But curse you LL Muir for ending it where you did! I already want more! I love reading this series. And I love cliffhangers!

Not bad but could have put it all the series in one book. Now how o I delete old books from my kindle. Please

Nice enough story, too short and why has she separated what is clearly a full book.

Love these kind of books
