Customer Reviews

Good treatment of game as currently played in the US. Also excellent treatment to teach new players how to play the game.

Canasta Made Easy by Sandy Unger was the most comprehensive yet easy to use booklet for any new or intermediate player. Canasta is a fun, thought provoking game, presented by this author to be easily understood. Loved it!

Great tips

The rules quoted in this book seem quite different than other sources I have reviewed, so not useful waste of time and money
