The Elvenbane (Halfblood Chronicles)

Synopsis

Two masters of epic fantasy have combined in this brilliant collaboration to create a rousing tale of the sort that becomes an instant favorite. This is the story of Shana, a halfbreed born of the forbidden union of an Elvenlord father with a human mother. Her exiled mother dead, she was rescued and raised by dragons, a proud, ancient race who existed unbeknownst to elven or humankind. From birth, Shana was the embodiment of the Prophecy that all-powerful Elvenlords feared. Her destiny is the enthralling adventure of a lifetime. “A brisk, glittering yarn that packs as much action, suspense, and twisting of conventions into one novel as many writers invest in whole trilogies.” —*Amazing Stories* A Main selection of the Science Fiction Book Club

“A brisk, glittering yarn that packs as much action, suspense, and twisting of conventions into one novel as many writers invest in whole trilogies.” —*Amazing Stories* “A splendid blend of the talents of two excellent storytellers!” —*Anne McCaffrey* “One of the season’s liveliest and , most appealing fantasy epics.” —*Publishers Weekly* --This text refers to the Paperback edition.

For well over a half century, Andre Norton was one of the most popular science fiction and fantasy authors in the world. Since her first SF novels were published in the 1940s, her tales of action and

adventure throughout the galaxy have drawn countless readers to science fiction. Her fantasy, including the best-selling Witch World series, has been popular with readers for decades. Andre Norton was the first woman to receive the Gandalf Grand Master of Fantasy Award, presented by the World Science Fiction Society in 1977 and the first woman to be named a Grand Master by the Science Fiction Writers of America in 1983. Mercedes Lackey is a full-time writer and has published numerous novels and works of short fiction, including the bestselling Heralds of Valdemar series. She is also a professional lyricist and a licensed wild bird rehabilitator. She lives in Oklahoma with her husband and collaborator, artist Larry Dixon, and their flock of parrots.

Reading down the list of books that Andre Norton wrote. The Halfblood Chronicles were the last on my list. These are some of Andre Norton better works written with Mercedes Lackey. These stories fit into the new century with elements of timeliness. Some of Andre Norton's earlier stories are better off being left out of print (Ralestone Luck, 1938).

This book was great for a light-read. It's something to pick up and enjoy if you want a break from bigger, darker, deeper books. I liked it enough that I'll get the next book for sure, but there's no rush, and it'll be good for a "breather". Not a lot of character development here.

I have always loved Mercedes Lackey's work and combined with Andre Norton, this is fantastic.
