After: A Christian Inspirational Novel #1

Synopsis

A DELIGHTFUL CHRISTIAN INSPIRATIONAL. 10,000+ downloads. # 1 Bestseller in Inspirational Christian Romance. All Candace had was her stunning voice. All he wanted was her downfall-and the loss of her faith. When she falls before thousands, will shame win? Sixty thousand people watched as Candace Rodriguez literally fell off the stage while performing the national anthem, wrecking more than her self-esteem. Is her music career over? Now, weighing 350 pounds and jilted by her fianc  after the shame of her public fall, can she find another chance at true love? Will her new Christian faith anchor her future hopes? Former highbrow stock trader, "JB" Patrickson has had enough of life making mockery of his best laid-out future plans. His father insisted he'd never make it more than selling "chickn" stock in Kentucky. Proving him wrong, JB succeeded at the NY Stock Exchange, becoming one of the best US traders...until the market crashed in 2008. Seven years later and mired in debt, he can't shake the urge that God is leading him down a different path. The path of accepting his grandmother's request to come help manage her farm, couple hundred miles away, despite his little to nothing knowledge about farming. Has he fallen low enough to toil with his hands to eke out a single meal? What future could God plan for him on a farm? Twenty years after returning to the US from a fulfilling medical mission in Asia, Dr. and Dr. Mrs. Cantwell gratefully send off two sons to college, purchase a flourishing twenty-acre farm, and prepare to settle into their empty nest stage. But what will they do if God leads one more life into their path, one needing stitches of the soul not of the body? Can they answer His call to service, or will overlooked pain from the past threaten the fragile peace they'd so desperately coaxed into existence to survive together? Find out how these lives intersect at the Day Spring Farms, and watch what God can do to turn brokenness and shattered dreams into masterpieces. AFTER, an inspirational Novel by Contemporary Christian Fiction Author, Joy Ohagwu, is poised to spotlight the strength in transformation, courage in love and hope in times of despair. "Thank you for giving AFTER to the world, Joy. I'm a life that was changed."

Customer Reviews

After started out slow but ended up being a fantastic book. Singer/songwriter Candace is a very strong character who loses 177 pounds in less than a year through exercise and eating correctly. After should be an encouragement to anyone who desires to lose weight and to songwriters. A new Christian, Candace learns to trust God in all circumstances. I would recommend this book to others. I received my e-book from the author in exchange for my honest opinion.

It is such a blessing to find a story where the characters have an actual relationship with God, they are not just talking about Him in the story After, but they are living Him and talking to Him. These characters are having a relationship with like Adam had; you know, walking with God in the cool of the day. Except they are walking and trusting in the midst of indecision and in midst of great changes they could not have foreseen. The author did an excellent job of creating a masterpiece; showing us what it looks like to live out Christianity. Come and experience, take a journey with the characters of After; you will be blessed, you will be compelled to live out God's purpose for your live and you will experience the Master's peace that is so beautifully woven throughout this story.

This excellent inspirational book covers all the bases: hope, loss,, pain, recovery, renewal, romance, lies, eternal truth. A good story is enhanced by an honest look at the ways God may work in a life, often through pain and silence and time, to victory. It's also a spiritual journey through weight loss, a timely subject.

This. Is one of the Best books I've read in a long time and I read a lot. I loved the content, the inspirational message and it really touched my heart and goes along things I'm going thru right now. Thank you so much for everything you wrote. Awesome! ,

I loved this book! Many people struggle with their weight including myself. I loved the way the author incorporated Candace's growing faith with her weight loss and her sense of worth. Very well written.

I really wanted to like this book but just couldn't get past the halfway mark. I never connected to the story or the characters and wasn't impressed by the writing. Typos don't generally bug me all that much, but several times the author used words that weren't even related to the correct word and I occasionally had to try to figure out what an incomplete sentence meant to convey. I always hate to give unfavorable reviews, because I know that countless hours of the author's work went into the writing of every book I read, but this one was not for me. I almost didn't review it at all, but days later I was still bugged by the fact that I couldn't finish this book. I can almost *always* finish a book, but wasn't able to finish this one. If the good reviews I give are going to count for anything, I also have to be honest with unfavorable reviews. My apologies, Ms Ohagwu. I'm certain that there will be many others who enjoy this book. I'm just not one of them.

Loved it! This is my first time reading JOY'S books but will not be the last. The weight loss topic was great but greater still is what God does in her life and leads her to experience pure happiness based on His love.

Well written. The characters are well developed. I enjoyed experiencing the story unfold. It is always refreshing to read a book that is scripturally sound. I appreciate that the focus was not on romance and physical attraction, but rather a relationship with God and the journey that pursuing His will can mean.
