I happen to be an incredibly picky eater, and her recipes are some of the best things I have ever eaten. Definitely the best I have ever cooked myself. She knows how to bring actual flavor to clean recipes. So I know I can trust every single one of her recipes to be amazing, unlike other blogs or cookbooks. She also posts many other recipes and I wouldn't be surprised if this isn't her last cookbook. 100% recommended from a highly picky foodie. Go Lexie!
