"Combines the beauty of a coffee-table tome with the hard facts and compact size of a traditional guidebook." -- "Vogue A city of incomparable beauty, culture and history, Paris has enchanted writers from Balzac to Hemingway and artists from Monet to Picasso. Paris is the place travelers return to year after year -- to revisit favorite cafes, museums, parks and palaces, to take in the art and architecture, fragrance and couture, music and cuisine. Discover the "city of lights." Sample the sights and sounds of Paris, from the gloriously restored Marais district to historic Left Bank streets with their irresistible antique shops. Visit the places you have always heard about: the Pantheon, burial site of Voltaire, Hugo and Rousseau; Notre-Dame, masterpiece of Gothic architecture and haunt of the fictional Quasimodo; the Paris Opera, with its glittering chandeliers and resplendent ceiling painted by Chagall. Go underground and explore the famous catacombs or venture out to

the celebrated sites nearby, including Versailles, Vaux-le-Vicomte and Chantilly. Discover the romance of Paris with detailed itineraries to guide you through one of Europe's most beloved cities.

I found this book in a store and as soon as I saw it, I bought it! The artist for this book is great and there is a bird's eye map/drawing for almost every Manhattan neighborhood. Nearly an encyclopedia for New York Culture! Even if you don't plan on going to NYC soon, get this book if you enjoy architecture.

We used this book on our first visit to Manhattan and found the book to be very helpful. After preparing for our visit with this book, I felt comfortable and a familiarity with the city.
