Clarke's expansion of the ode to noisy farm beasts that every 2-year-old can sing will have listeners joining in by the second stanza. Young machinery mavens won't notice the syllabic aerobics needed to shoehorn "combine harvester" (it goes "whir") and "fire truck" into the rhyme, it'll just add a giggle or two. Blanco's digitally created illustrations...have a bright, sunny retro look that is as inviting and catchy as Clarke's verse. A great singalong that proves that Old MacDonald still has new tricks. •Kirkus Reviews Clarke's adapted stanzas are sure to draw giggles in several places ("And on that farm/ he had a combine harvester"), and Blanco's detail-crammed scenes will have readers poring over the pages. •Publishers Weekly Children familiar with the traditional version, especially those into big shiny vehicles, might just go for the wild enthusiasm MacDonald and his animals show for things that go. •Booklist Online

Jane Clarke is the author of more than seventy books for young children, including *Who Woke the*

Baby? She enjoys visiting schools and loves animals, country walks, fossil hunts, meeting up with her sons and their families in the U.K. and U.S., and having fun with her grandchildren. Migy (pronounced "Miggy") Blanco spent ten years working in advertising and editorial illustration before moving to Buenos Aires, where he developed a children's book style that is bold, magical, and eye-catching. He now lives in the U.K. and is enjoying nature and exploring new inspiration.

Purchased this as birthday gifts for two, 2 year olds. They enjoy singing the Old MacDonald song and enjoy vehicles of all kinds. Their parents have informed me that this book was a hit!!!! They also noted that they appreciated the large size so pictures were easily seen and enjoyed.

My 2.5 yo son loves this book. It is a perfect for toddler-preschool aged kids. The illustrations are beautiful. It is fun to see what all the farm animals are doing on each page.
