Synopsis

What the Bible Really Says about Prayer
Countless books have been written about prayer, how to pray, and when to pray. This book includes exactly what God says about prayer, straight from his Word. It is organized by subject, such as prayer in the Old Testament, types of prayer, prayers of the psalmists, and prayers of Jesus. All the scriptural prayers and primary references to prayer are collected in this clear, concise book, with enough explanation to help even those new to the Bible. Its length and focus make it perfect for readers who love the Word of God.

Customer Reviews

I don't know if this includes everything the Bible says about prayer, but I do know that just about everything this book says about prayer is from the Bible. The only text that isn't directly from the Scriptures is background to set up who is praying or what the circumstances surrounding the prayer are. I also found it interesting that the verses were taken from a variety of translations.

This book was an answer to a prayer. It is an excellent source to teach on the subject of prayer. Any believer at any level can learn something from this book.

I chose a 4 rating for I loved the content, but did not find it an easy read. I read a lot of prayers from the Bible but I still did not learn to pray any better. It could have been more instructive.

Grouping Scriptures on Prayer by topics such as "Prayer in Times of Hardship and Heartache" this book has really helped me to gain insight into how to pray. Each topic has a short explanatory introduction and then is packed with Scripture that illustrates Biblical prayers. I love using it for my morning devotion!

It is a blessing buying this book. I came across a lot of Bible passages that are so apt to a lot of issues going on around me. I also loved the addition of the great Bible commentators at the end of the book. Well written, well presented. I'll be buying this for all my prayer partners.

The title of this book intrigued me, and it has lived up to my expectations. Just as the title says it brings together what the Bible has to say about this topic. Would recommend this book. Good vendor service.

From the first prayer I repeated from this book to each prayer for each day has been a blessing. Many times the prayer for the day is just what I needed for that day. Highly recommended!

Book as described. Delivered promptly. Pleased with purchase. In excellent shape. Thanks for offering on .Com. Hope to deal again soon.
