# Malta & Sicily Travel Guide: Attractions, Eating, Drinking, Shopping & Places To Stay

## Synopsis

Malta is a popular, tourist-friendly island in the Mediterranean that is located close to the Italian island of Sicily. Malta is actually an island archipelago with three populated islands (Malta, Gozo and Comino). Sicily is located in the Mediterranean Sea and is Italy's largest island. The sunny island includes attractive rocky cliffs, volcanos, fertile valleys and lemon groves beneath the majestic Mount Etna. Goethe said, "To have seen Italy without seeing Sicily is not to have seen Italy at all."

## Book Information

File Size: 331 KB

Print Length: 74 pages

Publication Date: July 18, 2014

Sold by: Amazon Digital Services LLC

Language: English

ASIN: B00LXN00T4

in [Kindle Store > Kindle eBooks > Nonfiction > Travel > Europe > Italy > Rome](#)

## Customer Reviews

Very weak on the content side, for a paperback. I did not want the Kindle version for travel convenience, and frankly it would be overpriced if you paid the digital cost. Content is simplistic, and seems like something that was developed for a blog. While there are ideas that seem interesting, too much of the 74 pages is spent on hyping side trips that seem to be hustling for a few tour operators. Even the interesting suggestions are not unique and can be retrieved with a hour or two of web surfing. While 74 pages isn't a lot to start with, the font size is quite large and the layout leaves too much white space. Overall the content could fit in 40 pages with some crisp editing. One major oversight is the lack of even simple, maps. There is no concept of distance, and this was most

noticeable in the Sicily section (its not a small island).Overall I'd suggest readers pass on the book. Spending twice as much on other tour books will get you twenty times times the content.

I could have written this book myself and I haven't been to Malta!
