Correct book and delivery time.

This covered a lot of new words that helped my daughter prepare for her standardized test at the end of the year.

this book is a great at home vocabulary tutor

This is an excellent book to improve your vocabulary skills. Exercises include analogy, synonyms, antonyms, sentence completion... An excellent tool to prepare you for the SAT verbal.

This is an excellent vocabulary book which will help all the way through high school. Although dull, I would highly recommend this book to any eighth or ninth grader who plans to excel in their high school years
