Instant Harmonica is a totally new way of teaching yourself to play the harmonica in as short a time as possible. Yes, even if you have never played a note of music before in your life, you'll be playing your first songs on the harmonica in a matter of minutes. And what songs you'll be learning to play! We've chosen the best Country, Folk, and Cowboy songs around to insure that Instant Harmonica is not only fast but also a lot of fun!

Still working to master this instrument.

Not just a book of primary instruction, not just a songbook of tunes arranged for blues harmonica, but a happy combination of both. With INSTANT HARMONICA you can pick up any Key of C, ten-hole Diatonic, Richter-tuned harmonica (the most common kind) and learn it from scratch, or quickly refresh your skills. Songs are arranged by the "number" system with up arrow for breathe,

down for draw, and also in conventional musical notation. Best of all, the tunes, while simple, are not simplistic. Perhaps some instructees are too small to contend with the lyrics of "Frankie and Johnny" or "D-I-V-O-R-C-E," but surely a parent or instructor can fast-forward over them until the child is ready? It would be a shame to pass up INSTANT HARMONICA when so many competing books cost more and offer less.

LOVE this book, so clear and easy to understand. I think I used it more in the beginning than my son did! It makes you feel like you can play right from the beginning AND sound good doing it!!

They were a gift and the kids loved them

annoying all my friends. Mission accomplished

An instrument that can be learned by almost anyone.

Very clear and helpful information. Does a great job of showing you step by step and not assuming you know something that you probably don't.

Awesome book. Written so it is very easy to follow and understand, even for someone like me who has zero music background.
