The Miracle Morning For Real Estate Agents: It's Your Time To Rise And Shine

Synopsis

All real estate agents share one thing in common: we're all striving to get to the NEXT LEVEL of personal and professional success. We want to take our lives, our businesses, and ourselves to the next level. What if you could get there, faster than you ever thought possible, by simply changing how you start your day? The original Miracle Morning book took the Real Estate industry by storm, transforming the lives and businesses of tens of thousand of agents. Now, The Miracle Morning for Real Estate Agents will do exactly that for you by taking you on a journey into the lives of top-producing agent, Rick Masters and his wife, top-producing lender, Michelle Masters. First introduced to you in the best-selling book, The 7 Levels of Communication, real estate professionals Rick and Michelle are now married and expecting their first child, but the demands of their industry have left them overworked, overweight, stressed out and unfulfilled. Something's got to change. They attend a seminar and meet other agents who have transformed their lives—both personally and professionally—using a simple 30-day Challenge. Although Michelle is optimistic, Rick is skeptical. But with nothing to lose and a lot to gain, Rick agrees to sign up. Little does he know that you really can transform any—or EVERY—area of your life, in just 30 days. You're about to discover how! Grab Your Copy of The Miracle Morning for Real Estate Agents today!

There's a reason cliches are cliches-they've been proven true so often they're boring! Still, this book re-invigorates the heart of what we ALL know to be true, but don't practice, because, because, because.....The Miracle Morning Series challenges you, by telling a SUPER relatable story, to get off your butt and take RESPONSIBILITY for your days, your health, your LIFE, by starting EVERY morning on the RIGHT foot for 30 days. Then 30 days more, then 30 days more-get the picture? Success is a LIFELONG journey, my loves, so you might as well set your alarm clock for 6am and

FACE the music in the most positive and powerful way possible. Miracle Mornings forever, for this kid :)
