

Synopsis

Did you know that there are Jewish genealogies and family histories, both published and unpublished, for over 10,000 family names? Compiled from books, newspaper and journal articles, Jewish encyclopedia entries, family papers, and family trees, this bibliography attempts to include all Jewish collections in the United States and other countries, such as Australia, Netherlands, England, Germany, and Israel. Now genealogists and historians can determine primary sources of information on Jewish families in a variety of times, places, and backgrounds. Included are the contents of Volumes 1 and 2 of the highly acclaimed Jewish Genealogy: A Sourcebook for Family Histories and Genealogies plus thousands of additional entries compiled by David Zubatsky--three books in one. More than 22,000 sources are identified.
