I bought this book to accompany RC Sproul's video series *From Dust to Glory*. This is an excellent book, and would highly recommend reading it, especially if you are seeking a good overview of the Bible. RC Sproul's writing style is very readable, and flows nicely. He uses personal examples from time to time which I like. Great book!

This is a beautifully written book with Dr. Sproul's wisdom and insight. If you want to know how to connect the Old Testament with the New Testament and understand how scripture supports this, then this book is for you. Great addition to a library.

Ordered this book from a recommendation and glad I did. Great reference tool for those who want to learn more about the Bible.

Great big picture overview of the entire bible. Great read and use along side his video series "Dust to Glory".

Love it , learning the bible is fun and unbelievably exciting. This book is the best way to start.

Their journey through the Bible makes it very interesting and understandable. I have bought several for gifts.

This book is quite unique and needs to be in Kindle format.

Lots of great info.
