The Coming Economic Armageddon: What Bible Prophecy Warns About The New Global Economy

Synopsis

Never before have we read such jarring headlines, distressing news analyses, or dire predictions concerning the world's financial future. The American housing market -- or, more sentimentally, the American dream -- began to collapse in 2006, taking with it large chunks of the global financial system. Millions of jobs worldwide have vanished forever. Did Bible prophecy predict this catastrophe? Are there biblical clues to how soon, if ever, a viable, long-term recovery can be sustained? Is the financial collapse just one of several signs that we are living in the final days of Earth's history? In *THE COMING ECONOMIC ARMAGEDDON*, David Jeremiah says we can know the meaning behind what we see in the daily news -- and understand and prepare for living in the New Global Economy.

Customer Reviews

Great material written by Dr. David Jeremiah in 2010. The audio CD is not in Dr. Jeremiah's voice so it lacks his enthusiasm. It does have all the info. FYI, the Study Guide has been updated 2014. If you are looking to save \$\$, this is an option

Dr. David Jeremiah has written a book which needs to be read by everyone. People need to read

about the future of their lives, country, & government. If one reads this book, they real need to look up the Scriptures which Dr. Jeremiah refers to. There are the answers.

Well written, informative and easy to follow. David Jeremiah knows his stuff and every christian can benefit from being aware of the times wears living in.

I love Dr Jeremiah's books! He writes in a tone that is engaging and easy to read. This book is another good one. It was written in 2011 so his example material is somewhat dated. But it still can be relevant as he uses the Bible to support his points.

Dr. Jeremiah is fearless about presenting what may well be coming in the near future. He doesn't pull any punches for fear of offending someone. He doesn't soft sell a "prosperity gospel" or do any happy talk to gain popularity. He backs up what he says with Scripture. I applaud him for his honesty and for his willingness to lay aside any personal agenda to shout out a warning.....this is where the world is heading, folks, get your house in order, prepare to meet your Lord.

I liked it!

Very disturbing to read about but as Christians we should not be shocked. This a great book of prophecy. Gives great reason to pray diligently for our fellow Christians, worldwide and pray for God's mercy during these days of judgement.

Everyday should read
