Dispute Resolution And Lawyers (Coursebook)

Synopsis

This abridged, softbound version of the main casebook contains the latest in scholarly, practitioner, and judicial thinking in all major areas of ADR. It has the same organization and breadth of coverage as the unabridged casebook, but 2/3 the length.

Customer Reviews

repeated pages and wrong book for the isbn. Didn't know until class started, it was more valuable as bad as it was than going without a book during a return.

Book exactly like described. Almost brand-new. Was upgraded to two day shipping at no cost to me. Thanks!

Required reading for an ADR course, but very helpful in understanding the basics of various processes.

Quotes himself, quoting himself, quoting himself. Really.
