Customer Reviews

Franko Maps Ltd. is known for producing the best travel, dive and snorkel maps, guides and fish cards for the Caribbean and other locations worldwide.

I will be taking this to Roatan in a month or so on a dive trip. I am an underwater photographer and like to identify the fishes and corals as I go. This will work perfectly for most of the fish I hope to see. Item came fast after ordering and is exactly what I wanted.

Perfect for when we go snorkeling! We would use a dry erase marker to mark fishies that we've seen.
