The Cotswolds Town And Village Guide: The Definitive Guide To Places Of Interest In The Cotswolds (Walkabout)

Synopsis

"The Cotswold Town and Village Guide: The Definitive Guide to Places of Interest in the Cotswolds" is the result of my continuing love affair with the Cotswolds, an area that I have known for most of my life and one that I have been visiting with my camera and notebook for well over fifty years. A glance at the maps contained in this book will soon reveal that the area covered extends well beyond the classic Cotswolds, but it never strays far from true limestone country with its typically lovely stone towns and villages. These are enfolded by rolling hills and quiet wooded valleys through which clear streams flow and all have a similar character to the better-known places of pilgrimage like Stow on the Wold, Cirencester, Bourton-on-the-Water or Broadway. Of course these favourites have not been ignored. The Cotswold countryside is as near to perfection as one could wish for, but it is still further enhanced by the treasures to be found within its towns, villages and hamlets. Here are some of Britain's loveliest medieval churches and domestic buildings, almost all of which are built of the marvellous honey coloured Cotswold stone that here lies so close to the surface. When setting out on your journeys of discovery, savour each day and not try to cover too much ground - it has taken me most of a lifetime to get round it all! If possible buy a good map or maps (preferably Ordnance Survey ones) and walk from village to village along a quiet footpath or bridleway, stopping beside a stream for a picnic, or at a pub for lunch. This is another book from Reardon Publishing the Cotswold Publisher.

Book Information

Series: Walkabout

Paperback: 172 pages

Publisher: Reardon Publishing (August 1, 2000)

Language: English

ISBN-10: 1873877420

ISBN-13: 978-1873877425

Product Dimensions: 6.3 x 0.4 x 8.7 inches

Shipping Weight: 12.6 ounces

Average Customer Review: 4.1 out of 5 stars 5 customer reviews

Customer Reviews

What a gem of a book. I choose it as it was called "The Definitive Guide" so figured it had to be fairly good. What a shock when it arrived, as fairly good is a masterpiece of understatement! The book is about the only one you will need as it features everything of interest in this region. We had planned for five days here, looks like we will need to extend that. Peter Titchmarsh has lovingly put together years of research in this 170 page volume leaving the reader with what I can only call "The Perfect Guide Book" Lots of photographs and jammed packed from cover to cover with information. Look around all you want, you won't find a better guide to the Cotswolds. And even if you are not planning to go there, buy it, it makes a great read and you will soon add the Cotswolds to your holiday list. By Malcolm (Kent, England)

This isn't a travel guide to Cotswold villages and towns, as I thought it would be. Although it is entitled "The Definitive Guide", it's not a guide at all but simply an alphabetical listing of towns and villages without any particular recommendation for why one should go there. This would be more useful as a reference work that could be referred to when one arrives at a village and wonders what it offers to a traveler. You won't find any suggested tours or "don't miss" suggestions. It's simply offers a brief description of whatever hamlet you might find yourself in. The cover has the only color photos, all others are in black and white. There's probably a much better guide out there. Keep looking.

When one comes to a place there is a handy reference of some features to see or to help plan ahead. alphabetically arranged so easy to find name of village.

Great information listed by town. Great for fast info on a particular town. Wish it had color pictures.

What a gem of a book. I was looking at it on here several times over a two week period while making my selection on a guide for the Cotswolds. I choose it as it was called "The Definitive Guide" so figured it had to be fairly good. What a shock when it arrived, as fairly good is a masterpiece of understatement! The book is about the only one you will need as it features everything of interest in this region. We had planned for five days here, looks like we will need to extend that. Peter Titchmarsh has lovingly put together years of research in this 170 page volume leaving the reader with what I can only call "The Perfect Guide Book" Lots of photographs and jammed packed from cover to cover with information. Look around all you want, you won't find a better guide to the Cotswolds. And even if you are not planning to go there, buy it, it makes a great read and you will

soon add the Cotswolds to your holiday list.

This book now out of print is a great help to anyone visiting the Cotswolds, every town village and hamlet is listed in great detail the latest edition is also available on with the ISBN of 9781874192787
