What a great find. We were visiting a friends B&B and she had this book sitting on the coffee table so I started flipping through the pages looking at all the houses, and then I turned the page and there was our house! The William G White house in Olympia, WA It is now the Swantown Inn Bed & Breakfast. The book is a great resource of local Victorian homes, and has come in handy while we look at paint schemes for when we repaint, knowing that the house was yellow at one point and what it looked like is just a plus!
