## Customer Reviews

Matthew Kadey is a registered dietitian, freelance nutrition writer and recipe developer. His nutrition, recipe and travel articles have appeared in dozens of publications including Men's Health, Women's Health, Shape, Men's Journal, Vegetarian Times, Runner's World, Bicycling and Fit Pregnancy. You can find Matt at [www.muffintinmania.com](http://www.muffintinmania.com) where he continues his infatuation with the muffin tray.

There are lots of great recipes packed into this book. I'm especially fond of the appetizers. But there

are also entree-style "muffins" that I am going to try.....except that my neighbor saw the book on my kitchen counter and happily absconded with it for the time being because she loved the recipes and wanted to make some!The directions are easy, the ingredients are "normal," the little muffins are clever & attractive and some can be made ahead (BIG plus for a party).

I never knew there were so many things you could make in a muffin tin. I always get compliments at gathering and the muffin size creates the perfect size serving

All the recipes in this book can be made in or with various size muffin tins. It's a good way to control portions (especially with desserts) and a fun new way to present even some family favorites. It also leaves room for imagination, which I appreciate because we all like to use what we have on hand. Prep and bake time is short, which is great for busy households.

I have been steadily working my way through this book and have tried about 10 or 12 of the recipes. Several have quickly become family favorites. Really added some new things to my breakfast routine, things that are different and interesting, but still easy to make.

Uses many ingredients I don't usually have on hand.

Nothing wrong with delivery or the book except recipes not as good as I had hoped.

I tried several recipes, and the results were wonderful. The photos are great! I starting substituting ingredients I had on hand or based on our taste preferences. I used Canadian bacon 1 time, and precooked regular bacon another time for prosciutto in the egg cups. Another time I scrambled the eggs before pouring into the meat lined cup. I prefer almond milk to dairy milk, so I am experimenting. The possibilities are endless.

This was a gift to a friend. She loves it
