Customer Reviews

Read the book and follow the instructions to be clean in a few weeks without stress or emotional difficulties. This is the way to energy and fulfillment.

I could not have gone 2 weeks without going back to my gambling if it weren't for this book. It has really affected my life positively. Although it takes some commitment and discipline to follow through, I realized how stronger I am even when I don't talk to anyone about my addiction. Instead of wining and blaming people, I have become a support system for my friends wanting a better life in one way or the other. I am holding on to this book, thanks to Steven Gray. I recommended this book to a family friend and her daughter is already doing better. You can apply this to any habit you want to change. Thanks again.
