I purchased this because I have been in need of a wall calendar, and wanted one of decent quality that also includes the Islamic months. This calendar is professional and well-done, however the photographs are mediocre (in my opinion) and not incredibly inspiring for me. Also, I bought this calendar in April but still paid full price. I think that when you purchase a calendar it should decrease in price as soon as the year begins. So I feel that I definitely overpaid for this product and in the end it is nothing special.

GREAT

I buy these calendars every year and will continue to buy them if they keep making them. Amazing pictures, truly inspiring.

This year's "Longing for the Divine" is the eleventh year I go through the Islamic year with this particular calendar. I have had other Islamic calendars (for example, "Doors to Jenna", but I prefer the Andalusian Arts calendar for the large variety of inspiring pictures, the photographer's particular vision. Furthermore, this year, I was able to get it before the new year has started. I appreciate this very much, which, in the case of a calendar, is of value. Thank you. I am already looking forward to the delight of the two friends to whom I will give these calendars.

I have for several years considered this to be an essential for any household, Muslim or otherwise. Excellent photography combined with a Hijri calendar makes for a perfect gift and is a yearly purchase for myself and family members. Now even easier now that this is available through .

The quote each month is inspiring, the photos exquisite--I order these calendars each year for myself and my children. this calendar is such a pleasure to have hanging near my desk--even more

beautiful this year! And thank you so much for including Mawlid of Prophet Muhammad SAW

Subhan Allah! The Longing for the Divine 2014 Wall Calendar is beautiful, inspiring, and well-worth gifting to family and friends.

I've been ordering this calendar for years. It's beautifully photographed and shows the different mosques in different countries. Every year I look forward to seeing a mosque from Malaysia. I've never been disappointed.
