## Customer Reviews

Excellent preparation book for the exam. All of it is not necessary to pass the exam, so it is best to attend a course with Commonwealth School of Insurance, and they will show you which sections to highlight and use to prepare for the exam. Other than for the exam, however, this book is an excellent reference book for any insurance professional to review procedure or Kentucky law. A few items are outdated, but majority is accurate.

great book , and a lot of good information
