The Plain Language Guide To New York Divorce: An Easy-to-read Primer On The New York Divorce Process, Specifically Written For Non-lawyers

Synopsis

Whether you are planning on filing for divorce in New York, have been served with divorce papers, or simply contemplating the potential consequences of a future divorce, this book provides everything you need to know, in easy-to-understand language. Unlike most other books on New York divorce, which are filled with vague answers like "it depends," the author gives honest real-world answers to tough questions like: - What's the secret to getting a really fast divorce in New York? - How much is my divorce realistically going to cost? - What should I do if I am served with divorce papers? - How can I get a divorce lawyer if my spouse has all the money? - Can I legally punish my spouse for cheating on me? - How much support will I have to pay if I file for divorce? - I don't trust my spouse to be alone with our child. What can I do? - My spouse hides his income, so how can I get the support I am entitled to? - Can my spouse have divorced me without my knowledge? - Should I allow my real estate (or injury or traffic ticket) lawyer to handle my divorce case? - Can I serve my spouse with divorce papers by certified mail? You can spend an hour with a New York divorce lawyer for \$300, or you can read this book for a fraction of the cost and learn almost everything you need to know.

Customer Reviews

Steve Brodsky is a New York divorce lawyer who has helped thousands of New Yorkers navigate the difficult divorce process with the friendly, plain-language approach he is known for. An attorney for more than 18 years, he has made it his mission to provide quality legal services at affordable prices.

Great product!

OMG! Finally, a brilliant, yet easy to understand guide to what could be a most painful, expensive, complicated process. Mr Brodsky just gets to the facts without all the legalese most of us don't need or understand.
