Hollywood's Earth Shattering Scandals: The Infamous, Villains, Nymphomaniacs And Shady Character In Motion Pictures. 8th Edition. Book/Part 3. (Showbiz Entertainment And Cinema Stars Obsession W)

Synopsis

Book/Part 3. 8th Edition. A set of 4 large books with over 600 photos. The largest/biggest book on the market. There is no other book like it! Comprehensive, illustrated, documented, explosive! Movie stars-heroes and role models who in real life are the scum of the earth; their names (Males & Females, past & present), the nymphomaniacs, homosexuals, lesbians, junkies, drugs addicts, rapists, suicidal, felons & murderers. Their double lives, shady deals, arrests, convictions & mug shots (Larry King, Al Pacino, Bill Gates, Suzanne Somers, Steve McQueen. F. Sinatra, etc.) Name of the women and stars, Kennedy slept with. Hollywood repulsive moguls, producers, directors. Greatest scandals in Hollywood's history, past & present. Stars naked ambition; how they used their bodies to reach the top! Stars insanity, wild sex parties, orgies, and obsession with money, greed, fame, power, and who are they? How they did it, when, how, and with whom? Their names, and appalling private lives and repulsive affairs; enter their donjons, and learn everything about their most disgusting life style and way of life. Hollywood's most tragic events, suicides, murders, cover-ups, conspiracies, human drama, and how some of the biggest stars ended their career and life, penniless and homeless in the streets and dark alleys. Check a new book by Lafayette: Hollywood's Most Horrible People, Stars, Times, and Scandals. From The Stars Who Slept With Kennedy To Lavender Marriages And The Casting Couch.

Customer Reviews

First let me say, I don't know for a fact that this is a self-published book except for the fact that there's no publisher listed for this book, or editor, or agent, or... If I'm wrong, my apologies for making assumptions -- they should all be fired. Now, I knew I wasn't buying fine literature here, only pulpy Hollywood gossip. Nothing wrong with that. I certainly don't pretend to be an intellectual heavyweight, but my god, what a complete mess. Think about this as you read books like this: If the author can't even spell his subjects' names correctly, how much research did he do in the first place? I was at first impressed that Katharine Hepburn's name was spelled correctly the first time (a in the middle), but then throughout the rest of the book it was spelled Katherine (e in the middle). Well, okay. That one is forgivable, hard to catch sometimes. But Betty/Bete Davis? Who doesn't know how to spell her name? And Kristie Alley. Try Kirstie. Plus many more. Come on now, that's just sloppy. And it's always a good thing to identify people correctly. The funniest thing in the book is the list of Ronald Reagan's lovers. Some names have photos next to them. The last photo on the list of Reagan's lovers is a very recent photograph of Felicity Huffman of "Desperate Housewives" listed under the name of Selene Walters. Oops. (But I bet Huffman would get a kick out of that.) Plus, I really love how the author has listed his sources: "(Sources: Web Centers, Compuserve, Celebrity Relationships, Katie Holmes News.)" (?????) Don't get me wrong, it's really great that people can self-publish these days, but at least have someone proofread your stuff. There are online proofreading services that charge only 25 cents per page. Not a bad investment. Hell, I'd even do it for free. Write on, dude.

In addition go Beijing chopping constructed, the type is strewn from page to page making you read the ends of sentences when they randomly appear a page or two later ... or you miss them altogether when they are partially obscured by pictures. Definitely not worth the \$9.99 ... not even worth the 99 cents. DO NOT BUY!!!!

Redundant way too much. Trying to make the book longer and have more volumes. An ok read nothing more

Overpriced book that repeats most well known stories about the romantic days of many of the famous people. It is mostly a rehash of Hollywood legends. Not worth the money.

Love my kindle
