I read the Midford seies some years ago, visiting my 2. cousin in Thornton, Pennsylvania. The books

were different from the Christian literature I'm used to read. I fell completely in love with them! I enjoyed so much the humour, the sweetness and the tenderness in the books that seemed to envelope everything. The way Father Timothy was towards his parisheners, and how he tried to help everybody - and at the same time he was so human and so wonderfully sweet and funny. Then there are all the other characters; I cried with them and laughed with them - in fact I don't know any other books that have made me laugh so much. I read at night, and disturbed my husband's sleep because I couldn't stop laughing. Most of all, the books hit my heart and soul regarding faith and how to pray and live. Now I've read them again, and I enjoyed them perhaps even more: it was like meeting old, dear friends. It also brought back sweet memories from my stay in Pennsylvania. My cousin is older than me. And wiser! I love her dearly; we are like soul mates. As for this last book; "A common life", it was good in the way it kind of summed up the different characters and their ways. But I was sad when I had read it, because then there were no more books to read, and I have to say goodbye to Timothy and Cynthia; a real princess. I wish I could have coffee and a nice chat with her, perhaps she'd teach me a few tricks about painting...

I adore ALL of Jan Karons books. I have read them all and listened to the audiobooks. They are simply lovely. Her stories are well-written but even better her characters are just wonderful. You truly get to know these "people" and care for them. They are complex, flawed individuals that you grow to love like family. Re-reading them is like going home again. It brings a peace and clarity to my spirit. Highly HIGHLY recommended.

I love Jan Karon's writing .. She has a way that makes you get right into all the characters and describes the way she has made the town of "Mitford" . (not a real town) come to life. You can picture its beauty . Her writing is special as I am an Anglican so I know what she is writing about. This book was about the wedding of Father Tim to Cynthia. Loved it !! She even writes the Hymns that I know off by heart. Looking forward to reading the rest of these books.

Love all the characters in the Mitford Series. Wonderfully written, enjoyable books, each and every one.

Some were gifts and I did not see them but was told they were nice. I loved reading . But I am in love with all of the Mitford series and to me, the only one that seemed slow was the first one, At home in Mitford. But then, as I got acquainted with the people, and Barnabas, I began to get into

them like they were old friends. I highly recommend all of the Mitford Series to my family and friends and anyone who will listen.

Excellent Author! We are reading her Mitford series allowed and LOVE IT!! Great series.

Nothing new in this book. Seemed just to be a time filler for the next real sequel.

Love the Mitford series and was thrilled the wedding of Father Tim to Cynthia was brought to life in "A Common Life..." All the personal glimpses into the various lives of Mitford citizens a delight. Short in length but long in rich and rewarding text. Don't miss this story.
