When Jesus was born, his parents were sleeping in a barn. But people knew he was special right away because of the star shining overhead. What would Jesus grow up to be?

Dennis Jones loves to draw. His artwork can be seen in books, magazines, games, toys and Sunday school curriculum. He's illustrated several children's products including the Read with Me Bible and the NIV Super Heroes Bible. Dennis lives in Indiana with his wife Karen and has two grown sons.

Good book. Good for first graders.

Love the book

Good kids book

The book isn't terribly detailed, but that most likely works well for it's intended age group. The pictures are fun and entertaining to the kiddos, and my Sunday school class was most enchanted with the cave page.

Great Book. My son loves all of this series.

I love it because even though the story is simplified for children to understand, it does not lose content and is Biblical sound. Also, I've been looking for books that would engage my children's attention, and they absolutely love the pictures, colors and all the details in every page. I am very happy with this collection, and I wish there were more books, specially on the OT prophets.

Love this story book for story time with my daughter.

We purchased this series for our church library, and just love the illustrations, and language level for our children.
