Seth Kamil and Eric Wakin are, respectively, the president and chief tour guide of the largest and best-known walking tour company in the United States-Big Onion Walking Tours. They are also the authors of The Big Onion Guide to New York City: Ten Historic Tours, also published by NYU Press. Both live in Brooklyn, NY. Eric Wakin is Chief Tour Guide. Their company conducts more than 1,200 tours of New York City for more than 35,000 people each year. They are both in the Ph.D. program in history at Columbia.

I take many Big Onion Tours. Love the Group, the purpose behind it and the knowledgeable tour guides. Was thrilled to find the books for sale (also purchased the new York Guide). Great group, great book. Thanks for many, many hours of pleasure.

Take a narrowed focus on Brooklyn, New York alone, put it in a tall but narrow pocket-sized take-along tote, add historic photos from the Brooklyn Historical Society along with maps and directions, and you have created a walking tour guide unique in its approach and scope, with The Historic Walking Tours: Big Onion Guide To Brooklyn. Several pages of fuzzy printing mid-book don't but temporarily mar the success of a wonderful little guide probing many historic neighborhoods and buildings.

As a fellow tour guide, I know Big Onion does good work, and this is no exception. As a rival tour guide (New York Like a Native), I'll also suggest that this book, like any guidebook, is no substitute for a live guided tour. There are a couple of errors (but not at an unacceptable level). More

importantly, any tour enshrined in a book is already out of date--for example, a tour of Fort Greene & Clinton Hill should address the looming Nets arena complex. And any book has space limits; this omits numerous streets, buildings, institutions, and bars/restaurants/stores I'd want to mention.
