Review at BadAndDirtyBooksDamn!! This was such a good and an amazing read. I'm so glad I waited for the whole collection to be released, because I know I would have gone crazy waiting for the next episodes. It was that good! But waiting for the collection to be released was also a test. I kept seeing teasers and reviews everywhere and they said the same thing. Hot! Amazing! Erotic! A Must Read! And I AGREE! I just loved and adored both Frankie and Derek. Equally as much. Their strength, passion and love for their job, family, friends and each other was what captured me. And it didn't let me go until I reached the final page. Their heat and lust for each other was flawlessly written and I had to take a break at times. It was so erotic and I could feel their lust jump off from the pages. From the first page I was captured and intrigued. Frankie is a heroine I just loved. So strong, sympathetic and really just a good person all around. True to herself, her needs and beliefs. Her

relationship with Brea and Anna was beautiful, heartwarming and touching. Loved their scenes together and I could feel they shared a lot of history. Derek Block. What a down to earth, real and loyal man. I couldn't get enough of him. His appearance was so sexually written. I could feel Frankie's attraction. He's just as loyal to family and friends as Frankie is. I love the different sides he shows Frankie. He can go from very demanding in a very sexual way to be this loving and caring man. Who's going to be there whenever he's needed. Marni Mann knows how to write a compelling and interesting story with a lot of tension and heat. I didn't expect to be moved and sit with tears in my eyes but I was so invested in the characters and their story. I was obsessed and devoured every page and didn't want it to end. Marni Mann is definitely an author I'm going to be following. This was just perfection all around. 5 BadAssDirtyAndALotOfLoveStars

I loved the story about Derek and Frankie.. There were secrets from the past, people from the past with means lots of drama. I love stories like this. Because of past relationships, they both fight their love for each other. He is a builder and she is a real estate agent so they work together. Can they work and have a relationship together? Can Derek get past his "one and done" to build a relationship with Frankie? You should read it to find out..

I love this collection! Derek and his beard (sigh). Lucky Frankie!! Marni Mann sure knows how to write a story.

Who knew flannel could be so sexy? Not this girl! But damn Derek Block is a sexy, panty melting, flannel wearing God!! This series was the hottest I have ever read! The passion between Derek and Frankie is off the charts and even though they fight it, it is obvious they are meant to be. But will they see that for themselves? Sexy, angsty and romantic I couldn't get enough of these books! Another 5 star read from this super talented author!

I absolutely love love this Series. These books were such an addiction. Brought out so many emotions. It was smoking hot, angst, tear jerker and damn swoony.... Derek was just the Type of Alpha male that I love and Frankie was a strong powerful woman but still new how to submit. I loved her soft side. She really steals ur heart....

What an incredible journey of love. Both have been hurt, both have experienced loss, and both have closed themselves off from their emotions. You get front row seats watching Frankie and

Derek give each other a chance. It was a book I'm glad I read. It was HOT, but it also had depth to it.

Off the charts HOT! An excellent series with a hot and steamy Derek Block and a sassy spitfire Frankie Jordan. They were so freaking hot! There was the perfect amount of drama and intrigue. Oh, and did I mention the sexy times were off the chain HOT? A definite must read. This is the first time I've read anything from this author and I will definitely go back for more!!

What a HOT series! Loved this story a lot.....I laughed out loud and cried a little too. This series has it all.
