Customer Reviews

If you are an admirer of the classical literature, this kindle all the novels of Joseph Conrad are a fabulous collection.

Good book

All J. Conrad's major works are here, the good and the bad. Most are excellent. Very deep psychologically. Amazing that a Polish citizen, brought up in Russia, became a captain in the British sea trade, and then wrote some of the most amazing novels set in Indonesia, Africa, the West Indies, etc., in English. An incredibly talented writer.

An excellent addition to anyone's library.

some not worth reading but the price was right

Very informative

I really couldn't get into it beyond a few pages. Did read The heart of darkness but it wasn't that interesting.

Conrad writes like Hemmingway, a little verbose at times. The stories are good however and he is a great storyteller! "Heart of Darkness" storyline is the basis for the movie "Apocalypse Now"
